Hi, Annie. Ran into D/C today. He said he didn't mind if I tag along on the 17<sup>th</sup>. So, I'm going to try to make it. In response to your question, the last two lab numbers have nothing to do with [REDACTED] -Phil

Phil,

About August 17<sup>th</sup> @ 1pm, my Director said that's OK.

D/C has requested the notes and other materials pertaining to the following Lab #s:

[REDACTED] Rx

[REDACTED] Heroin in 1 pb.

[REDACTED] Heroin residue

Let me know if the last two Lab #s are related to this case as well.

Thx
